1) We add to court and registration fees.

- By the invoices we understand all documents that have to be recorded in the accounting books – invoices, shipment documents, payrols, etc.
- The scope of works includes tax advisory related to the business activity.
- Abovementioned prices are the initial prices and our customers can negotiate the individual discounts (fix and periodic).
- The Pricelist is effective from July 1, 2007 – any changes have to be accepted by both parties of the agreement.
- Supplementary services have been listed in the pricelist. All other services shall be individually negotiated and realized after establishing finally price.
